

James Guffee

So Much For Secrets

Multi-instrumentalist and singer **James Guffee** creates guitar driven rock music with undeniable melodies and insightful lyrics on his debut solo album **So Much for Secrets**.

As a former member of the critically acclaimed power pop band **The Tories**, James Guffee has performed his music on stages and on screens across the world. He's shared the spotlight with Cheap Trick, Collective Soul, Dishwalla, and Tonic to name just a few, and he's also an accomplished composer for network television.

Continuing on his quest for the ultimate musical expression, James is now making his own brand of hook-injected modern rock as the leader of his group, **The James Guffee Band**.

On his solo debut album **So Much for Secrets**, James performed the majority of the instruments, as well as the tasks of writing, engineering, and producing. When it came time to mix it all together, he enlisted the talents of long-time cohort **Stuart Brawley** (Michael Jackson, Don Henley, The Matrix.) The results feature a blend of musical influences from James' early heroes such as Crowded House, Sting, Tom Petty, and James Taylor, as well as the modern sounds of the Foo Fighters, John Mayer, Seal and Duncan Sheik.

Deftly crafted lyrics and irresistible melodies are clearly evident in each of his songs, and it's sure to please fans of pop/rock music in all its forms.
